We endorse the mission of the IGCC, which is that we will catalyse investor action on climate change to avoid dangerous global warming, responsibly manage long term risks and drive sustainable returns for investors and the beneficiaries they represent.

We will contribute to the [Mission](#) of the IGCC by:

- Supporting the objectives outlined in the [IGCC in 2022 Strategy](#)
- Participating in the IGCC by attending meetings, participating in working groups or initiatives and supporting activities
- Demonstrating progress in:
  - Incorporating the risks and opportunities associated with climate change into investment decisions or investment advice as appropriate, and into business operations
  - Assisting in raising awareness of the risks and opportunities associated with climate change in the investment industry, corporate, government or community sectors
  - Encouraging other organisations within the broader investment industry to join the IGCC and support the IGCC activities

We will seek to demonstrate progress in these areas in the following ways (please provide any examples of initiatives that your organisation is undertaking or intends to undertake in the next 12 months in this regard):
